NTSB Order No. EA-4478

UNITED STATES OF AMERICA
NATIONAL TRANSPORTATION SAFETY BOARD
WASHINGTON, D.C.

Issued under delegated authority (49 C.F.R. 800.24)
on the 28th day of August, 1996

DAVID R. HINSON,
Administrator,
Federal Aviation Administration,

Complainant,

v.

RONALD A. SANDERS,

Respondent.

Docket SE-14077

ORDER POSTPONING EFFECTIVE DATE

By decision EA-4470, served July 31, 1996, we denied the Administrator's appeal from the initial decision of Administrative Law Judge William R. Mullins. We affirmed the law judge's decision suspending respondent's commercial pilot certificate for 30 days. The terms of that decision provided that respondent was required to surrender his certificate to the FAA within 30 days, i.e., by August 30, 1996.

Due to administrative error, however, respondent has not yet been served with a copy of the decision. In order to provide him the time our rules authorize to review the decision and take considered action, we will postpone the effective date for 30 days, to September 29, 1996.

ACCORDINGLY, IT IS ORDERED THAT:

The effective date of NTSB Order EA-4470 is postponed for 30 days, to September 29, 1996.

General Counsel
